## CLASS SONG

Tune: Blue Moon

We are together  
Our last time here is before us,  
Why don't we sing out in chorus  
Because we don't like to part.

We are blue now,  
Our school days soon will be ending,  
And then we'll find we're depending  
Upon the world for a start.

And when we started our first year with a sigh,  
We hoped the year would soon go flying by;  
And now the time has come for us to say,  
We thank you very, very much in every way.

So Alma Mater  
We leave you now and forever  
We'll never be here together,  
Never, forevermore.

Valedictorian  
Marilyn Swanson

Salutatorian  
James Berg

## HAIL! BEACON LIGHT

Hail! beacon light of Ishpeming,  
Hail, High School, 'tis of thee we sing.  
'Neath heav'ns high dome of azure blue,  
Thou art thyself as firm and true,  
Surrounded by the hills so old,  
Whose iron hearts are strong and bold.

To thee our people turn with pride,  
In thee their love and hopes abide;  
Thy sons and daughters do thee bless,  
Thy teachings mould a life's success.  
Then let us haste, and garlands rare  
Wreathe 'round our High School ever fair.

Superior's mighty deeps are blue,  
And northern skies are that fair hue,  
Our color this — it tells of might  
Of love of truth and love of right,  
Long life and health and happy hours,  
God grant thee, Alma Mater ours.

### BAND

The band, one of the school's most rapidly growing organizations (in three years the membership has increased from 38 to 70), was active throughout the school year. Under the baton of Mr. Roy Ketola, the band performed with half time shows at the football games and provided music at each home basketball game and every pep meeting. For the second straight year the band played the visiting team's pep song at each game. Members of the marching band attended the Upper Peninsula Band Day which was held on the campus of Northern Michigan College on the day of the Northern-Alma football game.

During intermissions of the Senior Class Play, the audience was entertained by a clarinet quartet, a piano solo by Marilee Magnuson, and a trombone solo by George Quaal.

For their part of the Mid-Winter Concert, the band (complete with 66 members) played a wide variety of semi-classical and popular music. The highlights were the band's excellent performances of Ariane and The I.H.S. March written by George Quaal, the first chair trombone player.

Members of both the band and orchestra who took part in the Solo and Ensemble Festival held at Northern Michigan College on March 24 were Judith Dahl, Patricia Denn, Elizabeth Eklund, Douglas Lawson, Roger Marietti, George Quaal, Diane Rowledge, William Trebilcock, and Richard Wuorenmaa. A brass sextet, clarinet quartet, horn quartet, cello trio, and viola duet also took part in this festival.

The band travelled to Menominee for the annual band festival. Several Ishpeming students were members of the 125 piece "massed band" which performed in the evening.

The band performed with the vocal organizations and the orchestra for the Spring Concert and made its final appearance of the year marching in the Memorial Day Parade.

#### ORCHESTRA

This year the 34 piece orchestra, under the direction of Mr. Roy Ketola, again was very active in representing the school. Their first appearance was for the National Education Week program. The highlight of this performance was the orchestra's rendition of Clock in a Toyshop.

The orchestra played five numbers for the Christmas Concert, which was given jointly with the vocal music groups. Two of the selections were Rhythmelodic Sketch by Dasch and Melodies by Hadyn. A Christmas activity of the orchestra was the annual party of the band and orchestra which was held at the Winter Sports Club.

For their portion of the Mid-Winter Concert the orchestra played several selections, among which were Symphony in F Major and the ever-popular Song from Moulin Rouge.

The orchestra took part again this year in the Upper Peninsula Chorus and Orchestra Festival which was held in Negaunee on April 14. Several members of the orchestra played in the "massed orchestra" which performed in the evening concert with the "massed chorus."

The orchestra gave their last performance of the year in the Spring Concert presented on May 11 with the other musical organizations of the school.

## STUDENT COUNCIL

The purpose of the student council is to provide a democratic school government to promote the best interests and ideals of the school. The members, a body of students consisting of class and organization representatives as well as eight commissioners and assistant commissioners, submit suggestions, discuss problems of the student body, and vote on decisions to provide co-operation among the students and between students and faculty.

This year for the first time the minutes of each meeting were read to the members of the student body during their first period classes. The activities of the Student Council are diversified, for in addition to regulating activities related to the student body, the Council has other tasks. A committee of Council members selected the assembly programs for next year. The Council also sponsored the annual Christmas Mixer. Four delegates, one from each class, attended the Student Council Conference that was held in Marquette on February 11.

The leadership exhibited by the Student Council goes a long way in providing a democratic school government and contributing to the best interests of the school.

### ★ DEBATE

Ishpeming's debate team, under the capable direction of Howard J. Brown, again had a very successful season, debating the subject of federal aid for education. Members of the regular varsity team were Dorothy Anderson, James Berg, Roger Mattson, and Jill Superko. John Linna and William Locher began the year as reserves, but debated varsity in the second tournament. Julie Belaire, John Tobie, and Michele Robar debated in reserve.

In the first tournament of the year, held at Crystal Falls, the varsity won three debates while losing one. The reserves won all three of their debates.

On December 10th the second meet was held at Escanaba. The varsity won five out of seven debates, while the reserves won two and lost two.

In the final run-off tournament for the U. P. Championship, Ishpeming won three out of four debates to qualify for the semi-finals. In the first round the Affirmative defeated Newberry, and in the final debate the Negative defeated Manistique. By these victories Ishpeming won first place in the class "A" tournament.

As the U. P. Champions, the four varsity debaters traveled to the University of Michigan for a scholarship contest. In the competition James Berg placed sixth and won a hundred dollar bond.

For the first time the debaters had a regular class period and received credit.

### ★ COMMERCIAL CLUB

Members of the Commercial Club are juniors and seniors enrolled in business subjects. Meetings of the group are held on the second Wednesday of each month. The seventy-five members are under the supervision of Miss Ebba Eklund and Miss Grace Dunn.

The purpose of the organization is to acquaint its members with the procedures of the business world and to uphold high business standards. These purposes are carried out by means of programs consisting of plays, films, visits to business concerns, and talks by outside speakers.

The October meeting featured a program entitled, "Orientation Day at the Upper Peninsula Business College." New members were introduced to the club and took part in classes where they were given brief lectures by "teachers."

The theme of the November meeting was "The Penney Way." Talks, skits, and a film on the J. C. Penney Co made up the program.

"Job Success" was the theme of the January meeting. A play and a short quiz were used to illustrate the theme.

A play entitled "Work Experience in the City" was given at the fifth meeting.

To illustrate the theme "Prepare for Your Job," a play, "Susie Brainless—I Mean Braney" was given at the March meeting.

In April the group was divided, with one half visiting the Miners' Bank and the other half, the Peninsula Bank.

Seniors were the guests of the juniors at a tea held in May. At this last meeting the senior members were given merit certificates for participation in Commercial Club activities.

### ★ SERVICE CORPS

The Service Corps consists of student librarians, ushers, slip takers, projector operators, art, biology, and band assistants, athletic event assistants, and stage hands. These students give their time and talent without any reward except the personal satisfaction of participating in school activities in this way.

The services that these people perform help to keep the school running smoothly and steadily. It means a great deal to the school when there are people who are willing to serve "above and beyond the line of duty."

Since 1946 it has been customary each year to honor the members of the Service Corps with a banquet in appreciation of the fine work they do.

### ★ FORENSICS

Sixty-six students participated in the local speech festival, which was conducted in the English classes on March 12 and 13. From this group, twenty were selected by the English teachers as semi-finalists. At a later meeting outside judges then eliminated half of the semi-finalists to narrow the winners down to ten students. These students represented Ishpeming High School in the district speech festival which was held in Ishpeming on Friday, March 23. The finalists and the types of selections they presented were as follows: dramatic dialogue—Janet Clark, Janet Pryor, Kathleen Ryan; dramatic monologue—Mary Bolsness, Jeanne Knight; radio news commentary—Don Ryan; humorous—James Berg, Donna Michels, Margaret Schuetze, original oratory—Roger Mattson. In the district festival eight of these students, who had superior ratings, were chosen to go on to the regional festival which was held April 27th and 28th at Northern Michigan College.

The coaches for the speech students were Mrs. Gamble, Miss McDonough, Mrs. Saari, Mr. Brown, Mr. Renz, and Mr. Walters.

### ★ ALLIED YOUTH

The purpose of Allied Youth is to help its members seek the truth concerning beverage alcohol and the best way of life in relation to it. With this purpose in mind, Allied Youth carries on its various activities throughout the year. Two meetings are held every month, one educational and the other recreational. Picnics were held at the beginning and the end of the year. At the educational meetings various programs were given by members and by outside speakers.

The Allied Youth Council was active in organizing the business of the post. Meetings of this council were held once a month at the homes of various members.

A style show was again sponsored by Allied Youth in conjunction with the Style Shop. Another money-raising project was the selling of sweat shirts with the words "Ishpeming High School" lettered on them. The group rendered a service to the school by selling tickets to the "Wonders of Nature" film series. The auditorium was completely sold out for each night of the films.

The second annual talent show was sponsored by Allied Youth, completing one of the most successful years of the organization. The membership now stands at 230. Sponsors of the group are Miss Haney, Mrs. Lindberg, and Mr. Maynard.

## VOCAL MUSIC

One of the most active departments of the Ishpeming High School is that of vocal music, under the able direction of Miss Gladys Freethy. The largest music group is the Mixed Chorus, numbering 160 members, which performed at the Christmas and spring concerts, in addition to presenting the Lenten Cantata, "Olivet to Calvary." The chorus also attended the Chorus and Orchestra Festival held in Negaunee on April 14, where some of the members sang in the "massed chorus."

The Girls' Glee Club, consisting of 120 members, sang for the Christmas concert, which was conducted with a religious theme, and also at the spring concert, with music in a lighter vein. The Mixed Ensemble was quite active throughout the year, singing for various civic groups and for school functions, including the cantata.

The Vocal Music Department made its final contribution of the year by furnishing music for the graduation exercises.

The accompanist for the various groups was Miriam Rundman, with Marcia Marietti as her assistant. The accompanists deserve much credit for the hours they have spent practicing, alone and with the vocal groups. The whole department is to be congratulated for the fine work done in representing the school.

### ★ ART

This year there are thirty-four regular art students attending class every day and thirty-one clothing art students, who meet once a week. The art department is under the excellent supervision of Mrs. Ostlund, who stresses appreciation of art and skill in handling art media.

During his first year, the art student studies the fundamentals of art and becomes acquainted with design, color, poster art, greeting card art, lettering, sculpture, architecture, and painting. He applies this knowledge to problems using a variety of media. These problems, which range from illustration to design, bring out art elements and principles. After his first year of book work, the art pupil applies what he has learned, and works on more difficult projects in a greater variety of media. This year the students have been doing three dimensional, or volume, design as well as two dimensional work.

The annual Christmas Craft Exhibit was held in December and again this year the students helped various school organizations and entered poster contests, in addition to carrying on the class assignments.

### ★ HI-Y

The Mattson Hi-Y Club, an outgrowth of the Forum Hi-Y organized in 1926 by Mr. O. Townsend, is an organization of Junior and Senior boys. The Hi-Y boys, under the leadership of Mr. Gehlhoff, stand on the platform of "Clean Speech, Clean Sportsmanship, Clean Scholarship, and Clean Living."

The members of Hi-Y try to be of service to the school and community by ushering at all school functions, supplying the Christmas trees and trimmings for the school, and paying for a copy of the Hematite for the library. The only method of raising money that the group has is selling ice cream bars at basketball games.

Business and recreational meetings are held throughout the year. The highlight of the year is the annual Christmas dinner when Santa Claus Farrell takes the spotlight. This year twelve members attended the Hi-Y Conference which was held in Menominee on April 6 and 7. For the last meeting before summer vacation the group has a picnic at Camp Minneyata.

### ★ AMATEUR BIOLOGISTS CLUB

The purpose of the Amateur Biologists Club is to prepare its members for careers and hobbies in science.

The Ishpeming group, which got its charter in 1956, has thirty-two members, who are all present biology students, with the exception of two former students. Meetings are held once a month. Mrs. Ostlund spoke at one program, and a taxidermist spoke at another. James Berg, a member of the club, told about the National Science Fair, and Mr. Saviluoto, a conservation officer, told about his work.

This year twenty-two of the members exhibited projects at the Science Fair. Two ambitious students have already started work on their projects for next year.

The group is affiliated with the Science Clubs of America, which has a membership of 15,000 high school students throughout the United States. Membership pins to this organization were purchased by the biology club members.

The Ishpeming Biology Club is fortunate to have as its sponsor, Miss Haney, the biology instructor.

## FUTURE TEACHERS' CLUB

The Ishpeming chapter of the Future Teachers of America is one of the school's newest organizations. The group was started in the 1954-1955 school year. The club, which is open to all high school students who are interested in the teaching profession, has 22 members. Its main purposes are:

1. To develop among young people who are preparing to be teachers an organization which shall be an integral part of state and national education associations.
2. To acquaint teachers in training with the history, ethics, and program of the organized teaching profession.
3. To give teachers in training practical experience in working together in democratic ways on the problems of the profession and the community.
4. To interest the best young men and women in education as a lifelong career.
5. To encourage careful selection of persons admitted to schools which prepare teachers, with emphasis on both character and scholarship.
6. To seek through the dissemination of information and through higher standards of preparation to bring teacher supply and demand into a reasonable balance.

Meetings, which are held twice a month, have varied programs in which movies are shown, or in which the state and national teachers' groups are studied. This year every junior and senior member of the club had a chance to get some teaching experience, for they participated in cadet training at the Central School twice a week for eight weeks. On April 14 five members of the Ishpeming club were delegates to a regional conference which was held at Northern Michigan College.

The group is under the guidance of Mrs. Patricia Fittante and Mr. Octavius Townsend.

## ANNUAL BOARD

The Annual Board is really more than a board, for the Hematite is put together, published, and sold through the efforts of this organization and its faculty supervisor, Mr. Kivisto. The work is divided into five groups, each headed by one or more seniors, with underclassmen comprising the rest of the group. These divisions are: Copy, Business Management, Advertising, Photography, and Layout.

All the written material for the Annual is arranged or written by the Copy department. The Business group manages the finances and pays the bills. Advertising space in the yearbook is sold to various establishments in town by the Advertising department. The photography editor and helpers arrange for all the pictures. Each group brings its material to the Layout department, which organizes everything and arranges the Hematite in its final form.

### Ishpeming 37 — Manistique 0

The Ishpeming Hematites opened their season against Manistique at the Playground. Ishpeming started out fast as they piled up a 31-0 halftime lead, and then went on to win their first game under their new coach, Charles Fairbanks. Zhulkie scored 4 times; Wills and Wuorenmaa each scored once.

### Ishpeming 14 — Iron Mountain 6

The Hematites worked diligently all week in hopes of defeating the Mountaineers. With a large crowd of Ishpeming boosters at the game, the Hematites' dream came true as they handed the Mountaineers a 14-6 setback. Zhulkie scored the touchdowns and Wills kicked the extra points.

### Ishpeming 27—Soo 29

The Hematites, after leading the Soo for more than three quarters, bowed to the Blue Devils, 29-27, on a last minute safety. Zhulkie scored twice; Wills and Poirier each scored once. Wills kicked three of the four extra points.

### Ishpeming 12—Marquette 13

Ishpeming was host to Marquette for the Ishpeming booster game. The Redmen played inspired ball throughout the contest and defeated the Hematites, 13-12, in a real thriller. Wills and Zhulkie each scored once.

### Ishpeming 38—Negaunee 20

The Hematites took on their twin-city rivals in Negaunee, seeking to revenge last year's setback. The game was played in a steady downpour which didn't seem to hamper the Hematites' ground attack. Zhulkie scored three times, once on a brilliant 96 yard run. Poirier, Wills, and Wuorenmaa added the other touchdowns.

### Ishpeming 19—Stephenson 13

The Hematites challenged the Stephenson "Eagles" for their first time as they downed the "Eagles" 19-13. The Hematites' ground attack powered through the Stephenson line for 324 yards. Zhulkie scored 2 touchdowns and Talbot added the third.

### Ishpeming 35—Gladstone 0

The Hematites traveled to Gladstone to meet the "Braves" in their last Great Lakes Conference game. The Hematites rolled up a 28-0 score at the end of the half. Zhulkie scored three times. Wills and Talbot scored the other touchdowns. Wills kicked 5 extra points.

### Ishpeming 21—Stambaugh 12

The Hematites traveled to Stambaugh for their last game of the year. After leading Stambaugh 7-6 at the half the Hematites opened up with two quick touchdowns in the third quarter. Wills scored twice and Zhulkie once.

The "Hematites" compiled a 6-2 record, the best since 1952. B. Bjorne was elected cap-

tain by members of the team. T. Zhulkie and B. Bjorne were voted "Back" and "Lineman" of the Year by the Ishpeming Booster Club. B. Bjorne and T. Zhulkie were voted to the Upper Peninsula first team. Those receiving honorable mention were: B. Carlson, J. St. Andre, J. Talbot, R. Wills, and R. Wuorenmaa. T. Zhulkie was also leading scorer in the Upper Peninsula with 108 points.

Fourteen seniors were awarded their "I". They were: B. Bjorne, B. Carlson, L. Clark, L. Hill, R. Hocking, W. Magnuson, R. Mattson, J. Salo, J. Talbot, T. Tisch, R. Trestain, D. Williams, T. Zhulkie, and D. Holmgren. Returning lettermen are C. Kontio, R. LaPlante, D. Palomaki, J. St. Andre, R. Wills, and R. Wuorenmaa.

## 

### 

The Blue and White got season number thirty-three, for Coach C. C. Watson, off on the right foot by out-classing and out-shooting Stambaugh. It marked the seventh straight opening game victory for Hematite teams.

### 

Hoping to make it number two for the season, Ishpeming traveled to Iron Mountain. A last quarter rally saved an opening night victory for Iron Mountain over the Hematites in a closely fought game.

### 

Munising's Mustangs proved too tall for the Hematites as they suffered their second loss in a row. It was Ishpeming's first Great Lakes Conference tilt.

### 

The 500th victory in the history of Ishpeming High School basketball came the way of the Hematites as they downed Calumet to make the record 2-2 for the season. Tom Tisch hit 18 for the winners.

### 

The Escanaba Eskymos invaded the I.H.S. gym and in a closely played game edged out the Hematites.

### 

The Negaunee Miners extended their winning streak over the Hematites as they pulled away in the final two minutes to win.

### 

A fine second-half production enabled Marquette to run away with Ishpeming on the Sidney Adams court. It was the third loss in succession for the Hematites.

### 

The Escanaba basketball team swept the season's series from Ishpeming with a victory on the Eskymo's court.

### 

The manpower-happy Soo Blue Devils gained revenge for last year's humiliation on the Hematite court by downing Ishpeming by five points.

### 

The Hematites traveled to Gladstone and won a very close, hard-fought battle 59 to 56. The game was the first Conference win for the Hematites.

### 

Ishpeming closed its best weekend of basketball in a year with a win over Newberry on the Hematite court. Tom Tisch made 49 points for the weekend as he hit for 23.

### 

The Marquette Redmen built a 14 point lead in the third quarter, then held on grimly to gain a victory over the Hematites on the home court.

### Ishpeming 48, Hancock 36

Leading all the way by a slender margin, Ishpeming's Hematites pulled away in the last few minutes to score their third victory in their last four starts. The game was played in the Michigan Tech gym.

### Ishpeming 46, Soo 48

Ishpeming's improving Hematites battled the heavily favored Soo Blue Devils right down to the wire before losing. Tom Tisch was Ishpeming's big gun, netting 22 points.

### Ishpeming 40, Negaunee 43

Ishpeming's Hematites threw a scare into Negaunee on the Miners' court as the Miners were forced to come from behind in the final

40 seconds to win. Tom Tisch took high point honors with 17 points.

### ishpeming 57, Ironwood 48

Finishing the regular season with their most productive quarter of the campaign, the Hematites stopped Ironwood on the home court. It was nip and tuck most of the way before Ishpeming went ahead to stay, late in the fourth quarter. Tisch again led the way with 20 points.

## DISTRICT TOURNAMENT

### Ishpeming 58, Marquette 60

Shooting at a tremendous 46 per cent clip, Ishpeming nearly upset Marquette Graveret, but the Redmen rallied in the fourth quarter to squeeze out a breath-taking 60-58 victory.

## VARSITY BASKETBALL

The 1955-56 season of the Ishpeming Hematite basketball team showed a record of 6 wins and 10 losses.

Tom Tisch topped the Hematites with 257 points. Tim Zhulkie was second with 187, just ahead of Bob Wills, promising sophomore, who netted 177. Jon Salo 131, Bernie Bjorne 58, and Ralph LaPlante 52 was the way the scoring went for the Hematites' top 6 scorers.

The team consisted of seven seniors, five juniors, and two sophomores.

## GOLF

(SPRING 1955)

The following boys represented Ishpeming High School during the 1955 golf season: Lee Hill, Richard Lehto, Edward Koivula, and Robert Kallatsa.

A dual meet was held with Munising on the

Ishpeming fairways, Ishpeming winning the fifteen-hole match 342 to 406.

Ishpeming placed fifth at the final U. P. tournament held at Escanaba. Lee Hill posted a 91 and finished 9th in a field of 26 contestants.

# TRACK

After five weeks of training under coaches Ed Koski and Arthur Hammar, the "Hematites" opened their 1955 track season in a meet against Negaunee at the playgrounds. The Ishpeming team defeated the "Miners" in that meet, 72½ to 36½, taking nine out of thirteen possible first places.

The story was a little different, however, when Ishpeming played host to Marquette for the second meet. The final score was Ishpeming 35, Marquette 74.

At the Negaunee track on the 5th of May, the "Hematites" again defeated the "Miners", the final score being 72 to 37.

On Saturday, May 7th, the "Hematites" traveled to Manistique for the Great Lakes Conference Track Meet. Ishpeming placed sixth in that meet. Point-getters were pole-

vaulter Jon Salo, dashmen Tim Zhulkie and Joe Poirier, miler Gerald Thompson, and the members of the 880-yard relay team, which placed second.

Although the Blue and White placed only third out of five teams in the Regionals at Marquette on May 14th, the spirit and the will to win gave the team a complete moral victory. The 880-yard relay team, composed of Tim Zhulkie, Joe Poirier, Bob Wills, and Lou Clark, took a first place, edging out the Marquette team by .7 of a second. Other winners in the Regionals were milers Gerald Thomp-

son 1st, George Quaal 2nd, and Don Ryan 4th; Bob Wills placed 2nd in the 180-yard low hurdles, and rookie-of-the-year Tom Tisch took first in the half-mile, while Jack Talbot placed 4th; sprinters Tim Zhulkie and Joe Poirier placed 2nd and 3rd respectively in both the 100-yard and 220-yard dashes.

The U. P. Finals were held at Escanaba on May 21st, and the Ishpeming runners placed eighth in a field of 17 teams. Medals were won by the following:

Tom Tisch—2nd in half-mile .....	4 points
Joe Poirier—3rd in 220, 4th in 100.....	5 points
Tim Zhulkie—4th in 220, 5th in 100.....	3 points
880-yard relay team—3rd .....	3 points
Total.....	15 points

Stephenson placed first in that contest, as they had also done in the Conference meet.

On a warm Thursday afternoon in late May, the County Track Meet was held in Ishpeming.

The meet was the most exciting one of the year; Tim Zhulkie reached his peak for the season by nosing out Marquette's Kaye Vandeenboom in the 100-yard dash. The results of the county meet were Ishpeming 57, Marquette 52, and Negaunee 27. Ribbons were awarded to hurdler Bob Wills, dashman Tim Zhulkie, milers Gerald Thompson and George Quaal, half-miler Tom Tisch, pole-vaulter and high jumper Jon Salo, and the 880-yard relay team.

As a prelude to the Memorial Relays, a Triangular Relay Meet was held at Negaunee

on the 27th of May. Marquette placed 1st, Ishpeming 2nd, and Negaunee 3rd.

The "Hematites" concluded the 1955 season by competing in the Memorial Day Relays at Marquette. The 440-yard relay team, made up of Clark, Poirier, Wills, and Zhulkie, earned a record breaking 1st place by running the quarter-mile relay in 46:06 seconds. The team as a whole ended the season in high stride by placing fourth out of 14 teams in that meet.

—George Quaal

# BASEBALL

(SPRING 1955)

The young "Hematite" team of 1955 posted the same record as in 1954, with four wins and three losses. Single wins were posted over Negaunee, Negaunee St. Paul, Marquette, and Gwinn. Negaunee whipped the "Hematites" once, and undefeated Escanaba turned the trick on two occasions.

Hard-hitting Dave Palomaki led the team in batting with a hefty .388 average. Other leading hitters were Jim Tasson with .375,

Tim Zhulkie and Jim Kosonen, each with .363 marks, and Ralph LaPlante, who hit .333.

Graduating seniors include Captain James Kosonen and James Maki. Returning lettermen are juniors Tim Zhulkie, Bill Magnuson, Joe Poirier, and Bruce Chapman. Sophomores returning are David Palomaki, Ralph LaPlante, and David Corkin while freshmen letterwinners returning are Bob Wills, James Tasson, and Duane King.

## SENIOR CLASS PLAY

After several weeks of rehearsal, marked by a fine spirit of cooperation, a cast of fifteen seniors, under the excellent direction of Mr. Renz, presented the three-act comedy, "Come Rain or Shine."

It was Friday, November 18, 1955. As the curtain opened the audience saw first, Mrs. Grayson (Jeanne Knight), a witty and calm woman of forty-five, who kept her excited husband from having a nervous breakdown. Next appeared her son Glenn (Alan Garrett), a college freshman who was very much relaxed, except when he ran into difficulties with women.

Mr. Grayson (Anthony Archibald), father of Glenn, made a stormy entrance, telling about his troubles with wasps, with squirrels, with his son, and with the owner of the newspaper he managed. Jacqueline (Harriet Swanson), the attractive daughter of the Graysons, pestered her father throughout the play with her ambitions to be a writer. For the summer she hoped to capture the leading role in the community theatre production.

The Graysons' maid, Helen (Margaret Manzoline), periodically burst in upon the scene and loudly aired her grievances. The household became more seriously disturbed when Mrs. Sparks (Donna Michels), the "walking gazette" of the neighborhood, dropped in and reported that a community theatre had been started.

Irene Holden (Christine Granlund), general manager of the play, was often in distress because of quarrels among cast members. Things began to happen when the pampered,

spoiled brat, Rosemary March (Barbara Eisenach), breezed in and announced that she would be the leading lady in the play because her grandmother was financing the summer theatre.

Agnes Holden (Teresa Tasson) was in a frenzy because her boy friend, Glenn Grayson, was infatuated with Rosemary March. The one who feared that the whole theatrical venture was to be wrecked by love was the director, Dan Lyons (James Berg).

Dick Clements (Roger Mattson), a perennially smiling, easy-going young man of the neighborhood, was in love with Jacqueline. Both Jacqueline and Rosemary, however, felt that they were in love with the director.

The conflict reached its climax when Julia March (Sharon Anderson), wealthy owner of the newspaper for which Mr. Grayson worked, producer of the summer theatre, and grandmother of Rosemary, arrived and proceeded to dominate everyone.

Reporters for "Life" magazine, Fred (Patrick Gleason) and Ella Stone (Mary Newman), had been sent to write a feature on the community theater and were distressed with the fear that the play would never be put on. Finally Anne Barry (Janet Pryor), fiancée of Dan Lyons, was introduced.

The director was then confronted by three women who insisted that he deceived each of them. But since this was a comedy, all knots were disentangled at the end.

**HISTORY-STATISTICS**

When the word "teen-ager" is mentioned, just what kind of a picture comes to your mind? Most people do not know what to think of this group of young people, so we, the Class of 1956, would like to present to you statistically a picture of ourselves, as teen-agers.

Since our homes and parents have shaped our personalities and characters, a study of our parents will reveal much about us. Fifty-five per cent of them were born in Ishpeming, 38% elsewhere in America, and only 7%, the lowest rate to date, are foreign born, as compared with 43%, 20 years ago. The foreign birthplaces include Finland, Italy, Isle of Man, and Sweden. The Finnish, English, and Swedish nationalities predominate, and in the past 25 years, this same pattern has repeated itself 10 times. Following this come the French, Italian, Irish, Norwegian, German, Scotch, Manx, Danish, Swiss, Polish, Austrian, Spanish, and Czechoslovakian. In 1911, near-

ly half a century ago, only 10 nationalities were represented, while we claim 16.

Foreign languages are still being spoken in 39 homes by our parents, but only 24 of us can use a foreign tongue. In 1931—a quarter of a century ago—5% of the parents were high school graduates, while 46% of our fathers and mothers have completed high school. Twenty-two of our parents are also college graduates. Four mothers and 9 fathers of the graduates are deceased. There is a very slight increase in the divorce rate, though it is far below the nation's average. One home has been affected by separation, and 5 by divorce.

"Have you had your iron today?" is a familiar slogan, and we realize just how important iron is in our lives when we note that 57% of our fathers are employed by the local mining companies, the highest number yet recorded. With the exception of one class, we have the highest percentage of mothers em-

played—22% working full time and 8% part time. This means more comforts and more material possessions. We average nearly 3 radios per home, and the increase in television sets in 4 years shows a meteoric rise—from 1 set in the class of 1953, to 10 the next year, then 30 the next, and 79 sets this year! Possibly some sets are being installed this very week! Seventy-two per cent of our parents own their own homes, 93% have automobiles, and 57% of our families have camps, another record breaker.

Turning our attention now to ourselves, we find that most of us are home-town products, 76% having been born in Ishpeming. Seventy-three have attended only the Ishpeming Public Schools. As a class we began our education in 1943, when 134 of us were enrolled in kindergartens. The groups now numbers 139—84 girls and 55 boys. Our total high school enrollment is 573, indicating larger classes in the future.

Most young people are prone to accident, and our class is no exception—34 of us have suffered broken bones. Twenty-two have lost their appendixes, 9 have undergone major operations, and the number of us without tonsils, 41%, is second only to the class of 1950. In trying to protect our health, 95% have had a smallpox vaccination, 92% a tuberculin test, 80% a diphtheria test, and 98% a chest X-ray. Only 2 boys and 5 girls were excused from gym and pool, and 4 of these were excused for reasons other than health.

We have 5 perfect sets of teeth, while 11 of us have at least 1 false tooth, and 6 have had to wear braces. In comparing the 46% of us who wear glasses with the 19% back in 1935, we see a great increase in the spectacles department. This couldn't be due to movies or television, so too much homework must be blamed!

It has long been recognized that school-sponsored organizations and activities are powerful character builders for young people. Recently it has been proved that these wholesome activities are also effective in preventing juvenile delinquency. Only 11 of us have not been members of some group. Twenty-two have played for the orchestra, and 17 for the band, while 83 have belonged to some vocal group. The Commercial Club has claimed 66 members of our class, and Allied Youth, 73. Twenty have served on the Student Council and 34 on the Service Corps. Fifteen have

been in Hi-Y Club, and 8 in the Future Teachers of America Club. Five participated in debate, and 3 were members of the Upper Peninsula Championship Debate Team this year. Eighteen seniors have taken part in forensic programs, 4 of them obtaining superior ratings in the District Speech Festival. Twenty-five enrolled in Special Art. A new organization was formed this year, the Amateur Biologists' Club, and one senior boy was a member.

Many of us have gained valuable speaking experience—47% have broadcast over the local radio station, and 49% have spoken from the high school auditorium platform.

Athletics is another important school activity. Sixty-five of the boys have competed in some sport—23 in track, 22 in football, 11 in basketball, 11 in baseball, and 2 in golf.

Many of us belong to organizations outside of the school. Among the organizations represented are: the National Guard, the Tomahawk Bowmen, DeMolay, Job's Daughters, Girl Scouts, Boy Scouts, City Band, Royal Neighbors, Ski Club. In addition to these, there are many church groups, to which the greatest number belong. Sixty-five per cent attend 15 different churches regularly. There exists a definite connection between church-going and good citizenship. In a recent survey in a large city every successful teen-ager questioned was an active church worker, while every juvenile delinquent had irregular or no church attendance.

Our active life takes 88% of us away from home at least 3 nights a week, and half of us go out 5, 6, and 7 nights a week. These figures are significant, pointing out the continued trend toward less home life and greater outside activity. Movies continue to be the most important attraction, as 89%, the highest on record, visit the theater at least once a week, and 42% see two or more shows a week. Five never go to the movies. An eight-day week has been found by one of the senior boys—he sees 8 movies a week!

Dancing is also a teen-age pastime. Sixty per cent of us attend the Youth Center regularly, and only 4 of our classmates have never been there. We wonder if it is a preference for informal dress or a dislike for high prices that has caused only half of us to attend an Ishpeming prom, while 95% have been to at least one school party, and 97% are acquainted with the Youth Center. Over half of the

senior boys have revealed an interest in dancing, but at our local dances, whose familiar faces do we see—on the sidelines?

Teen-agers seem to have a constant desire for something to do, and outdoor recreation is invaluable in keeping them busy and out of trouble. Swimming is our favorite, followed by camping, skating, and skiing. Even though swimming facilities are often inadequate, and the season is short, 85% of us enjoy swimming, but there are 7 seniors who cannot swim. We hope that with the improvements at Cedar Lake, even more will be able to participate in this wholesome sport. Our school pool has proved its worth, because one-fifth of those who can swim learned there, and several senior girls have won Red Cross Lifesaving Awards. With our climate, we can also find pleasure in winter recreation, and 71% of us, the highest in 4 years, utilize the Winter Sports Area. Six boys have ridden Suicide Hill, and 22 have conquered the landing on skis, toboggans, and cardboards!

With all of our various activities, we do not have much leisure time, but 64 of us indulge in hobbies. We take pictures, tinker with cars, make jewelry, play the drums, and collect everything from dolls to tropical fish. Music also occupies much of our time. Two decades ago, the piano was about the only instrument used, and 37% of the class were able to play. Only 27% of us have some ability at the piano, but an equal number can play some other instrument. One boy admits that the only instrument he can play is the radio!

Teen-agers of today are often criticized for their poor eating habits and late hours. We admit our so-called "jitter-bug diet" of hamburgers and shoestrings does not meet the highest nutritional standards, but neither did the favorite food of the class of 1929—fudge and ice cream! On school nights we go to bed, on an average, at 10:40 and rise at 7:13, which is exactly what the class 30 years ago did! We thus get an average of 8 hours and 33 minutes of sleep on week nights, which meets good health requirements. On weekends we retire at 12:34, and sleep a little later in the morning, as any mother who has tried to awaken her teen-ager on Saturday will testify!

The claim that today's teen-agers are bigger than ever is upheld by our statistics. In 1911, 45 years ago, the girls averaged 5' 3" in height, and the boys 5' 7", while our senior

girls average 5' 4" and the boys are a shade under 5' 10". Our weight figures are also impressive—we weigh a total of 18,810 pounds or 9.4 tons. At this time we should like to wish a happy birthday to the baby of the class, who celebrated her 17th birthday just 7 days ago!

We are going to bring you some statistics on a matter not previously mentioned by other classes. One hundred twenty-eight high school students come to school each day by bus from the Townships. Of this number 26 are seniors. In addition, the school transports about 240 children within the city, most of whom are grade students. As a striking contrast, in the Class of 1914, there were two girls from Winthrop who walked 6,400 miles in 4 years to get their high school diplomas!

Travel is both educational and entertaining, and teen-agers will take advantage of any excuse for a trip. Sixty-three of us, or nearly half of the class, have been to Canada, and 5 have visited Mexico. In 1938, 15% had never traveled outside of the Upper Peninsula, while only 3% of our class fall into that category. Twenty per cent have ridden in an airplane, and only 12 have not journeyed by train. One senior boy will think twice before starting out on a trip again—he once found himself in Nashville, Tennessee, without a dime!

Teen-age driving is a delicate subject these days. Young drivers in 1953 were involved in nearly 25% of that year's fatal accidents. Most insurance companies have raised their rates for drivers under 25 years of age. We are a part of this problem because our class owns 24 cars, as well as 87 bicycles, 4 motorboats, and 1 jeep. Of the 100 of us who are licensed drivers, 65 took the Driver Training Course. We predict that even more will take advantage of this valuable instruction in the future, because of the new law, effective in 1957. This law will make it necessary for everyone of high school age to take the Driver Training Course before obtaining a license.

Eighty-nine per cent of us have chores to do at home, but many prefer "paying jobs" so 33 boys and 34 girls have found employment. We earn an average of 74c an hour, exactly the same as last year's class. Half of us have at some time gained experience by clerking in stores, others by delivering groceries, baby-sitting, etc. Only 29% of the class have peddled papers. This figure drops below the

class average for the past 7 years. While our money is accumulating, we try to think of ways to use it. We spend an average of \$2.03 a week, the lowest since 1950, but one boy spends as much as \$10.00 a week. We save some of our money, too, because half of us patronize the local banks through Christmas Clubs and Savings Accounts. Ninety per cent of us are protected by life insurance. The school accident insurance plan has been in effect for two years, and 88 seniors have subscribed to it. This year, 10 seniors have collected on this school policy.

Since we entered our 'teens we have been preparing for adulthood by trying to determine what vocation to follow. Up to the present time, the class has pursued work along the following lines: 45 are being graduated from the Science Course, 32 from the Commercial, 28 from the History and Social Science, 20 from the Industrial Arts, and 4 from the Home Economics. The remaining 10, having changed their courses for various reasons, will be graduated from the General Course. Four boys and 5 girls have both work-

ed and studied under the Cooperative Training Program.

Looking to the future, we see that 25 boys and 2 girls are considering enlistment in the Armed Services. Fifty-one per cent of us plan to continue our formal education, and this is about 25% higher than the national average. Speaking of college, we have some facts regarding the achievements of Ishpeming High School graduates who are enrolled in various institutions of higher learning this year. These students earned first-semester grades that were considerably higher than the average for the schools they attended. This must be gratifying to parents and faculty alike, and should serve as an inspiration and stimulus to the members of the Class of 1956.

As we graduate from high school we join that large group across the nation which begins to assume new and greater responsibilities. We hope that we can prove to the world that teen-agers are a dependable, vital force in the life of America.

—Thomas Tisch

## GIFTATORY

### INTRODUCTION

A large cake with thirteen candles is placed on the stage. The girls enter, carrying gift-wrapped packages which contain the gifts for the class.

Our Class of Nineteen Fifty-six  
Is thirteen years today,  
We'd like to give them birthday gifts  
To send them on their way.

Our kindergarten days began  
In the fall of 1943,  
And we had no idea then  
Of what, in '56, we'd be.

Six years had swiftly drifted by  
In various schools about the nation,  
We all received, come rain or shine,  
Our elementary education.

Our junior high did bridge the gap  
Between the grades and senior high,  
We felt ourselves now growing up,  
As high school days were drawing nigh.

In high school we have spent four years,  
Recall the books, the prom, the play?  
And now we're getting closer to  
That final graduation day.

Now at the end of this long road,  
When high school days are through,  
We give you each a souvenir  
And hope your dreams come true.

Dorothy Anderson, chemistry teacher, can use this hydrochloric acid to dissolve her students' problems.

With this (egg) beater, Jean Anderson, receptionist, can beat time every day.

Sharon Anderson, stewardess, will need this swing to fly "up in the air and down."

To Walter Anderson, business executive, we give this weight to keep down his bills.

We give this landing field (sponge) to Anthony Archibald, engineer, for trial rides.

So Mary Beerling, stenographer, won't get left behind, we present to her this Ketchup.

James Berg, lawyer, will need these pot holders when he handles those "hot cases."

This Cheer will cheer Barbara Bess, waitress, when Duz doesn't do everything.

State police officer, Bernhardt Bjorne, can use this jelly to control Michigan's traffic jams.

This double foot to Kay Bjorne, secretary, so she can cover twice the ground in a single day.

Secretary, Barbara Bone, will need this starch to prevent that five o'clock slump.

Clifford Brin, marine, will need this Bon Ami to "keep his honor clean."

This pointer to Susan Bussiere, French teacher, to put the "accent on youth."

This scale will show Bruce Carlson, proprietor, when his prices need reducing.

John Carlton, sailor, boots so he won't get his feet wet when he gets out to walk.

When Bruce Chapman, sailor, gets tired of sailor boys, he will welcome this life buoy.

This cushion will make a soft landing for Louis Clark, teacher, when he "jumps to conclusions."

These straws to Dale Coady, sailor, so he will never be able to say, "This is the last straw!"

Wire clippers to Janice Conte, commercial artist, so when she works against a deadline, she won't be fenced in.

Paul Couture, sailor, can use this rope to pull down the high tides.

This periscope to Judith Dahl, nurse, to sight the destroyers of the human body.

This coffee for Janice Dahlgren, gym teacher, to keep her students "good to the last drip."

This wrench to Patricia Denn, psychologist, to unscrew the mixed-up minds of her clients.

This straight edge to George Denofre, teacher, so his pupils will know who is ruler.

Irene Donato, typist, will be assured of spotless letters with this Spic and Span.

To Louise Drake, nurse, this towline, so she can always pull her patients through.

So that he can keep his dies straight, we give this color chart to Ronald Duhamel, tool and die maker.

To Barbara Eisenach, fashion designer, the new **Look**, so her fashions will always be stylish.

To Elizabeth Eklund, elementary teacher, Halo for her little angels.

For Anita Eliason, accountant, this deep freeze to store the frozen assets.

This spoon for Carole Engstrom, interior decorator, so she will always have stirring ideas.

Peter Farm, expert turbine engineer, will always have enough steam with this tea kettle.

Rochelle Flannery, social worker, can use this jack if her work gets her down.

This can of tar will enable Alan Garrett, music instructor, to always have the right pitch.

Sharon Gauthier, secretary, can use this bleach for those Blue Mondays.

For Patrick Gleason, mechanical engineer, this yeast to help him rise in the world.

To Christine Granlund, secretary, this gavel to keep her file in order.

We give Edith Green, nurse, this paper weight to keep her patients' temperatures down.

To Byron Grenfell, auto mechanic, these handcuffs to keep him at work when he gets the urge to go ski-jumping.

Elizabeth Harvala, Congressional secretary, may need these scissors to shear the wolves in sheep's clothing.

This lotion will guarantee smooth waters for Robert Harvey, member of Uncle Sam's Coast Guard.

To Lois Heavyside, secretary, this box of candy, so she'll always be sweet, even when the boss is angry.

William Hebert, industrial arts teacher, can use this sandpaper in case his students get too rough.

To Sharon Hendrickson, medical secretary, Band-aids, in case the doctor cuts her pay.

To Lee Hill, the Navy's contribution to the Olympics, these water skis to keep him in practice.

Navy admiral Roger Hocking can make use of these reinforcements.

To Jane Hoiem, filing clerk, we give this catalog so she can keep her files in order.

We give this SAIL to Joan Hoiem, hairdresser, so she can sail over her permanent waves.

To David Holli, musician, we give this shovel, with which to dig for the low notes.

To Barbara Holmgren, nurse, we give this rick rack, so she will always keep her patients in trim.

To Dixon Holmgren, automobile dealer, we give this saddle for that mounting horse power.

We give this extra plug (fishing plug) to Donna Jarvela, switchboard operator.

Ronald Jensen, purchasing agent, can use this owl to help him buy wisely.

To Eugene Jette, store detective, we give this weight to keep down the shoplifting.

We give this ruler to Kenneth Johnson, book-keeper, so he can keep his numbers straight.

To Susan Johnson, dental assistant, we give this partial plate.

We give this footprint to Raymond Juhola, railroad engineer, so he will never run out of track.

We give this knife to Marion Junak, court reporter, so she will never run out of short cuts.

To Milton Kaijala, electrical engineer, we give this wire to add to a short circuit.

To Joyce Kallio, proprietor, we give this elastic so her customers will always come back.

Lois Kielinen, clerical worker, can use these boxing gloves for punching in the time clock.

With this HEET, Grace Kindstrand, nurse, can cheer up a patient with a cold.

To Jeanne Knight, doctor, we give this heart to replace a patient's broken one.

To Edward Koivula, sailor, we give this Ivory soap to keep him floating over the waves.

To Sharon Kurin, housewife, we give this ALL so she will always get her housework done.

Larry LaFave, artist, can use this trap to help him "catch that pose."

To Patricia LaPointe, home economics teacher, we give these glasses, so she can see through her pupils.

For Keith Lawson, pharmacist, this watch to time his pills—every hour on the hour.

To David Lehtinen, road commissioner, fly paper to exterminate the litter bugs of the highways.

Paul LeSage, radio technician, may need this spare tube. (inner tube)

To Florence Lind, typist, a compass to guide her fingers to the right keys.

For Ellen Linna, medical secretary, this satchel for keeping case histories.

To Kay Lundberg, news photographer, a spoon to get the first scoop.

Karen Loustari, laboratory technician, can use this abacus for taking the blood count.

To Marilee Magnuson, typewriting teacher, a racer when she is driving for speed.

For William Magnuson, Air Force pilot, these binoculars to find the "Ghost Riders in the Sky."

We give this frame to Janet Maki, artist, for her first masterpiece.

To Margaret Manzoline, kindergarten teacher, a "Do-it-Yourself-Kit" for her little dependents.

To Roger Mattson, psychiatrist, this nut cracker when shock treatment fails.

This hammer will help Joanne McGinnis, hair stylist, give her patrons the new flat-headed look.

To Ronald McGlone, railroad engineer, a switch to keep him on the right track.

To Roger McVannel, construction engineer, eradicator to eliminate the curves from Michigan highways.

A mouth organ to Pauline Meyer, housewife, so there will always be harmony in the home.

To nurse, Donna Michels, a drum to liven the dead beats in her ward.

To Joyce Millimaki, Wac, some "no-run" hose to wear when the sergeant says, "Forward March!"

For history teacher, Madeleine Moss, a guardian angel to guide her through the historical battles.

To housewife, Doreen Nankervis, Answer Cake Mix, which should solve all her baking problems.

When James Nault, surveyor, is running a line, he may need a "steak"

To Brigid Nault, magazine censor, pliers to pull undesirable literature out of the market.

For Mary Agnes Newman, social worker, a shoulder pad for her clients to cry on.

A cage for Judith Nicholls, social worker, to hold the delinquents while she rehumanizes them.

For Paul Ninnis, T. V. technician, Ishpeming's standard snow remover. (shovel)

To Esther Nirva, housewife, an altar for her burnt offerings.

An extra pair of pants for Douglas Palmer, sailor, in case the lieutenant wears skirts.

A pogo stick for Helen Palomaki, elementary teacher, to keep her one jump ahead of the little schemers.

For Joan Palomaki, secretary, a net for catching the boss's son.

Nurse, Sally Palomaki, will need an account book to keep track of the deposits at the Blood Bank.

Typist, Emily Penrose, will make lasting impressions with this pin.

To Judith Peterson, foreign correspondent, an air conditioner for discussions with Bulgamin. (A fan)

To Steven Pietro, naval radioman, an address book to keep track of his short waves.

To Joseph Poirier, National Guardsman, an erector set to build that bridge across Lake Bancroft.

George Quaal, chemical engineer, can use earmuffs in his battle against the elements.

When Janet Rajala, continuity writer, types out those \$64,000 questions, she can send the carbon copies to us with these stamps.

John Rinne, mechanic, will need an assistant in his "monkey business." (A toy monkey)

To Susan Roberts, nurse, this bottle opener to use after capping.

Diane Rowledge, musician, may be able to use these tools in making "miner" repairs. (A pick and shovel)

To Miriam Rundman, pianist, a mechanical pencil for a "Crazy Ottograph."

Jeannette St. Andre, a teaching sister, will find a companion in "Two Little Nuns."

Mary Ann St. Andre, surgical nurse, could use a needle and thread to keep her patients in stitches.

To Carol St. John, children's nurse, bells for her little lambs.

We give Jon Salo, manual arts teacher, this coping saw in case he gets a class full of squares.

Swiftning will help Sharon Sanders, court reporter, keep up with the testimony.

To Claress Sarvello, nurse, a make-up kit so she will always be ready when the patients give her a buzz.

This "Joy" will enable Patricia Shimming, homemaker, to keep her house sparkling.

These labels to Nancy Stark, druggist's assistant, to help her keep her pills straight.

Sharon Stephens, marine, can use this vaseline to keep her "Leather Neck" soft.

Sandra Strengberg, housewife, can use this emery board to keep her home life smooth.

"Pep" will give Karalyn Sundblad, kindergarten teacher, extra energy when her little charges start wearing her down.

A bill to Harriet Swanson, economics teacher, to show her students how to stretch the dollar.

To Marilyn Swanson, journalist, this jet plane to enable her to get the facts first.

To Maxine Syrjala, bookkeeper, a compass to direct her entries to the right columns.

These currants to Jack Talbot, engineer, so he will never run out of electricity.

Caryl Tamblyn, geography teacher, can use this light bulb to help her students understand the "Dark Continent."

We give Teresa Tasson, medical secretary, these B-B's for the shots she gives when the doctor is away.

To lab technician, Helen Thornton, this cork to help her bottle up those virus infections.

A calorie chart will help Thomas Tisch, engineer, measure heat in his experiments.

A magnifying glass to Betty Townsend, secretary, so she will always see eye to eye with the boss.

To Richard Trestain, physicist, this hatchet to help him split the atom.

A pulley will help Sandra Tulkki, nurse, get her patients back on their feet.

This cap gun will help Rose Marie Valente, beauty operator, to cut bangs.

To Larry Vivian, civil engineer, this bridge (false teeth) in case the one at Mackinac fails.

This food coloring to John Wakkuri, forester, so he can "Keep Michigan Green."

Curlers to John Williams, sailor, so he will always have a wave.

This super vitamin pill to Ward Williams, marine, to keep him immune when the going gets rough.

We give Patricia Wirtanen, secretary, this magazine so she will always have "Charm."

To Timothy Zhulkie, coach, this glue to keep his team on the ball.

Giftatory and hoop girls sing:

Happy Birthday to you,  
Happy Birthday to you,  
Happy Birthday, Class of '56,  
Happy Birthday to you.

- 10 Iron Mountain there. We all go and see our team win.
- 15 Freshman Tea—Senior Brigid Nault was greeted as an incoming freshman by Mrs. Fairbanks. Teachers have a picnic.
- 16 Soo here, and we lose a close game.
- 20 Pictures taken—everybody say "cheese."
- 23 Marquette here—they win a close game.
- 26 Book Fair begins in the gym.
- 27 Seniors pay their dues.
- 28 We have an assembly program — Maxine Titus.
- 30 We receive temporary grades. Nancy will burn the midnight oil tonight.

## OCTOBER

- 1 We defeat Manistique. Tim out of breath after a 96-yard run.
- 2 Teachers brush up on "teaching techniques" at a meeting.
- 4 Junior duesday. No casualties.
- 5 Mr. Renz begins a series of plays in the auditorium during 1:15 period.
- 6 Short vacation—teachers attend M.E.A. convention Thursday and Friday.
- 7 We play Stephenson here, and win.
- 11 Sophomore duesday. Some of the boys meet with the Fisher Body representative.
- 14 The Freshmen are finally becoming adjusted—using the "revered seniors" as examples. (Ahem!)
- 15 We defeat Gladstone on their field. Miss Dunn receives "The Typist's Prayer" from an anonymous student.
- 18 Freshman duesday.
- 21 The football team journeys to Stambaugh for their last game of the season. We win again.
- 25 Three accordionists of the LaVaux Trio entertain our student body.
- 26 Freshman aptitude tests given for two days. "Any Einsteins in our midst??"

## NOVEMBER

- 1 Student audit. Did they count our feet and divide by two?
- 4 Senior Class Party—all say it is the best ever.
- 7 An especially blue Monday. First report cards!

- 8 Open House—Parents visit teachers. Some of us are worried.
- 11 Junior Class Party. Well-planned and well-attended.
- 13 Today Miss Freethy received the surprise of her life when the sopranos stayed on pitch in chorus.
- 16 Football Supper. The pumpkin pie disappeared in a hurry. Did a few of our husky heroes consume more than one piece?
- 18 Senior Class Play—difficult to tell whether cast was portraying characters in the script or just acting as themselves.
- 19 Debaters warm up at Crystal Falls.
- 22 First basketball game. We defeat Stambaugh here.
- 24 Thanksgiving. Two days recess.

## DECEMBER

- 1 Sandra H. has a unique alibi for being tardy for orchestra. She "was held up by a street-car."
- 2 We play Iron Mountain there, and lose.
- 3 The freshly-waxed floors proved too much for Margie M. and she found herself at Mr. Haney's feet!
- 5 Mr. Maynard gets his hand caught in the back of his chair in 5th period Economics.
- 6 Annual group pictures taken. Nearly all the student body dressed as never before.
- 9 We lose to Munising here—in basketball.
- 10 We have a fine weekend and defeat Calumet there. Debate team at Escanaba.
- 11 Another fine Christmas Concert by the music department.
- 14 We see our Art Exhibit. Teachers attend Christmas Tea.
- 16 We lose to Escanaba here. Band holds informal initiation at Winter Sports Club. Freshmen requested to wear old clothes!??!
- 20 Hi-Y Dinner. We didn't hear any Freshmen girls discussing what they were going to wear to the dinner!
- 21 Junior Christmas play was enjoyed by all. Mixer in the gym and Coach Fairbanks attempted to do the "applejack."
- 22 Christmas vacation begins at noon. Nothing but smiles seen at school.

## JANUARY

- 3 School resumes. Where are the smiles today?
- 6 Negaunee defeats us—and in our gym. Band plays "Seventeen" and "Rock Around the Clock."
- 10 Another assembly program—Groman, who kept us in "stitches" with his imitations of various dialects.
- 13 We lose to Marquette in their gym. Debate in Marquette.
- 14 Only a few books to be found in students' lockers.
- 17 Exams. Ouch!
- 18 More exams.
- 20 We lose to Escanaba there. Help!
- 21 We lose to Soo here—when will it end?
- 22 Report cards—how to show it at home?
- 27 We defeat Gladstone there.
- 28 We defeat Newberry here. The basketball team is back in stride.

## FEBRUARY

- 3 Marquette again— and they defeat us again in our gym.
- 4 The boys journey to the "Copper Country" to defeat Hancock.
- 10 We lose to the Soo there. Mr. Maynard leaves us temporarily because of illness.
- 12 Mr. Farrell is absent for the quote, third day in 29 years, unquote.
- 14 Fifth period French class delivers a valentine to Mr. Brown via the slip-taker, Roger A.
- 17 The boys journey to Negaunee and lose a close one.
- 22 "B" Team tournament in Munising.
- 24 The basketball team finishes the regular season with a win over Ironwood. Last appearance at home.
- 27 Teachers' Institute. A day off.

## MARCH

- 2 Freshmen-Sophomore party.
- 7 District Tournament begins in Marquette. We lose a close one to Marquette and they go on to win the Class B title for this district.
- 20 National Honor Society Tests. Debate in Lansing.
- 21 Assembly with Hepworth portraying characters from Dickens' novels.
- 26 We receive report cards again. Only once more for the seniors.
- 27 The Easter Cantata.
- 29 Last day of school before Easter vacation.

## APRIL

- 9 Back to school for the home stretch.
- 13 The Junior Prom. What time was it when you got home?
- 14 Science Fair. Orchestra and Chorus Festival in Negaunee.
- 21 Band Festival in Menominee.
- 27 The beginning of two days of the Regional Speech Festival.

## MAY

- 2 The High School Speech dinner.
- 11 Assembly—Spring Music Festival.
- 23 Home Economics Exhibit.
- 30 Memorial Day Relays.
- 31 Honor Awards Assembly.

## JUNE

- 3 Baccalaureate.
- 4 Exams for some. How many must you take?
- 5 More exams.
- 6 Class Night.
- 7 We receive our Hematites and get autographs.
- 8 Commencement.
